

Don't inequality!

- More than half of the world's wealth is for 1% of people.
- There is a lot of inequality in the world.
- We need to change national arrangements and social mechanisms.

Be equal!

No inequality!

Akari

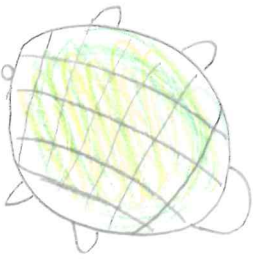

Life Below Water

Let's think about it!!!

There are many garbage in the sea.

It is pain many sea animals.

I think small ideas is change the this problem :)

Change!!!
