

Farewell Assembly

March 12, 2019

What a wonderful event! The students' committee planned and held the farewell Assembly for the 3rd graders. First, the 3rd graders gave the class speech. They introduced their homeroom members and teachers. Second, the 1st & 2nd graders performed for the 3rd graders. They performed in the skit, sang a song, played the recorder, showed the slide-show. They prepared and practiced for this assembly. The brass band also played the nice music. Third, the 3rd graders got beautiful bouquet, talked about the memories in a short speech.

Everyone had a good time and all the people laughed and smiled a lot together.

Thank you for your support, my homeroom teacher!
