

Nice to meet you, friends in Australia

Look at this picture. What are they saying? They are saying “Kon’nichiwa” to us. They are the students in Springfield Lakes State School(SLSS) in Australia, saying Hello to Kohoku Sakura JHS.

Twenty five students who learn Japanese are coming to our school on July 5th. They are on the Japan Study Tour. This tour will be their first visit to Japan. They are so excited because they want to try their Japanese and see real Japan. They will study about Japan a lot through the tour. It will be a great challenge for them.

To improve language ability, we should USE the language. “Mistake is OK, Challenge, good. No challenge No Good.” Let’s use English & Japanese to help them. Of course, the most important things are Enjoy Real Communication & Respect Each Other.
