

Thank you for your kind teaching, Mary.

Oct.29th, 2019 Kohoku Sakura JHS

We planned Halloween Photo Session with Mary. Mary is our assistant language teacher. She came to our school in May. She is a very kind teacher for us. Not only language, she taught us about culture of her country, too. This week, we learned about Halloween with her in English. Learning English is so much fun with her:) Thank you, Mary, we miss you. We had a very good time with you.

Halloween is like Japanese Obon.

You helped a lot, Mary.
