

Sakura enjoyed summer in Finland

August, 2019

Have you ever been to Scandinavia? How many countries are there in Scandinavia? Yes, there are five countries in Scandinavia. I visited two of them during my summer vacation. I had a good time. I visited Finland and Denmark. In this diary, I'm going to tell you about my days in Finland.

Look at this picture. This is Helsinki Cathedral. It is in Helsinki, the capital city of Finland. It was built during the Russia rule. It took 22 years to build this cathedral(1830-1852). It's so beautiful, isn't it? I saw many seagulls there.
