

Enjoy “Book Talk”

March 4th,2019 Kohoku Sakura JHS

Have you ever heard of “Book Talk”? “Book Talk” is a happy meeting to talk about your favorite book with friends. Each student brought his or her favorite book and introduced the book. The students can introduce the story, the best part of the story. The school library committee held the “Book Talk” for the first time. It was a lot of fun! They enjoyed talking about books. Let’s read books more and share the information with our friends. Reading books will inspire you.
